

# James Lee Stanley

“So where have they been hiding James Lee Stanley? We could say that James Lee Stanley is probably the last great undiscovered singersongwriter in America. But true as that may be let’s say something else. Let’s say that a diamond has been smuggled into the wasteland... and here is where the wasteland ends.”  
– **Tom Robbins**, Author of *Even Cowgirls Get the Blues*

It is only a long lived singer-songwriter career that lets JAMES LEE STANLEY unite the unpredictable creativity and the eclectic elements that make up his world. His remarkable ability as a vocalist and composer allow him to create songs, each recorded with a finely crafted backing that sonically enhance the impulse behind the lyric, coupled with his outrageously hilarious repartee. He is one of the few all time greats and undisputed geniuses among singer-songwriters. *Fi Magazine* listed his FREELANCE HUMAN BEING as “one of the finest recordings of 1998 and one of the Top 200 Recordings of all time.” – *Fi Magazine* March 1999.

JAMES LEE STANLEY, the true renaissance man, was born into a musical family in Philadelphia, PA, and already performing and recording for LeGrand Records by the time he was fourteen. He majored in music at California State University, did a stint in the Air Force as a chinese linguist, performing three hundred dates a year with such diverse acts as BONNIE RAITT, ROBIN WILLIAMS, CHICK COREA & RETURN TO FOREVER and BILL COSBY by the time he landed his second recording contract.
